Total Estimate: _____ Customers Initials: _____

_____(Initials) Hoses and mouthpieces are checked during every overhaul. These items are not covered under warranty and sometimes need to be replaced during annual service. By initialing, you understand that it is possible that hoses and mouthpieces do fail and your initials will authorize the replacement of such products during your annual service. Hoses range from \$30-60 per hose. Mouthpieces range from \$7.00 – \$30.00.

Excluding hoses and mouthpieces, if any non-annual parts needed are over \$50, you will be contacted for approval.

I hereby authorize repair work to be done along with necessary parts and labor as quoted. All warranty work must have proof of prior service and proof of original ownership, or no warranty will be applied. All service work is covered for a 60-day period.
